## PRESS RELEASE

April 2<sup>nd</sup>, 2010

For immediate release

### A taste of Maritime Hospitality

Breeders and Directors gathered in Amherst, Nova Scotia on March 4, 2010 for the 110<sup>th</sup> Annual meeting of the Ayrshire Breeders' Association of Canada. The meeting as well as a day of farm tours was hosted by the Nova Scotia Ayrshire Club.

The resolutions and proposed By-law changes were studied by the group present. The decision to accept the proposed By-law changes will allow the Association to implement a recording program for males. The bulls will have to attain much higher levels of purity than females to reach registration status.

The decisions made for the progress of the Ayrshire breed, management of the Association's finances and the projects reported by the various committees promise a strong year in 2010.

At the awards banquet, Norman Boswall of PEI was awarded honorary life member status and Marie-Helene Labrie of Quebec was named this year's award of merit winner. There were 5 new Master Breeders highlighted along with the All-Canadian and production award recipients. The details of these awards can be found on the website at [www.ayrshire-canada.com](http://www.ayrshire-canada.com) or on the following pages of this release.

Andrew Shufelt from Brigham, Quebec was elected President of the Association. He will be supported in his task by Directors: Oliver Balme representing the West, Henri Hofer and Darryl Smith from Ontario, Frederic Collard, Grant Roy, Bruno Soucy and Martin Poirier from Quebec and Paul Angus from the Atlantic Club.

Mr. Shufelt along with his brother and father are the owners of Dale Vista Farm. He worked part-time for nine years at the Granby Co-op after obtaining a Bachelor of Science degree in Agriculture from McGill University. In March 2009 he chose to devote all of his time to the farm.

One of the AGM activity highlights was a sale of select animals from Atlantic Canada. The opportunity to obtain these genetics was appreciated. The six consignments were much admired by all present and will perform well for their new owners.
